

TEAM EVALUATION

Purpose

To play win-win-win, recognize mutual wants and needs and build team

Process

Complete the SWOT (this assessment was developed by Cynthia Kitagawa)

Evaluate

Internal Environment

Strengths = clearly defined capabilities which gives your team an advantage

Weaknesses = clearly defined deficiencies which put your team at a disadvantage

External Environment

Opportunities = options for growth and development which have been over-looked

Threats = existing or potential dangers which could interfere with the growth and success of your team

Plan

Actions to be taken:

Time frame for completion:

Methods for measuring success:
